THE 1999 MINUTES DEDICATED TO
OTIS JAMES WHEELHOUSE, JR
AND
ALLENE KEETON WHEELHOUSE

The Reverend Otis James Wheelhouse, Jr. was born in Richmond, Virginia, on February 1, 1933, to the late Otis James Wheelhouse, Sr., and the late Gladys Fix Wheelhouse. He attended the Richmond public schools, graduating from the John Marshall High School in January, 1951, being the last class to graduate under an eleven-year, mid-term entering and graduating school system. In addition to his regular classes, Otis was enrolled in the school (military) cadet corps rising to the rank of First Lieutenant of his company. This cadet corps was fashioned after the Virginia Military Institute. It was while he was in high school that he met the young lady he would later marry.

A short attempt at college work (1 semester) at the University of Richmond to which he did not give his full attention, was followed by employment with the Virginia State Highway Department as a member of a survey team, working out of Newport News, Virginia. It was during this time that he married Miss Allene Spottswood Keeton of Richmond, Virginia, on December 6, 1952.

The Korean Conflict was still in progress and as so many others, Otis received a call from his Government upon returning from his wedding trip, that he could not refuse. He did have a choice, however, and he found himself in a totally new world of the United States Air Force in February, 1953. After his basic training at Lackland Air Force Base in San Antonia, Texas, his technical training at the Keesler Air Force Base in Biloxi, Mississippi, a few short months as a Control Tower Operator at the Bolling Air Force Base in Washington, D. C., a year of intensive Air Traffic Control training with the Civil Aeronautics Administration in Boston, Massachusetts, and nineteen months in Japan as an Air Traffic Controller, the Wheelhouses found themselves located for the first time in North Carolina at the Pope Air Force Base, Fayetteville, where Otis worked with radar in their Ground Control Approach system.

After Otis' discharge from the Air Force in February, 1957, the Wheelhouses decided they had moved around enough and Otis declined to take a job with the CAA in Louisville, Kentucky. Settling back into civilian life in Richmond, Virginia, Otis was employed as

a Safety Evaluator for the Division of Motor Vehicles of the State of Virginia. His wif Allene, was also employed by the State of Virginia, and the years began to slip comfortabl by.

Coming out of a "loose" Methodist background, Otis did not "see" as much nee for church attendance as did his wife. However, he found himself attending th Northminster Baptist Church in Richmond whether he really needed to or not. Durin this time, under the ministry of Dr. Clyde V. Hickerson, Otis made a profession of fait and became a "dyed in the wool" Baptist. Over the next few years, he was introduced t all aspects of Baptist life. As a willing worker, he found himself quite busy in Northminste Church. He served as Assistant Superintendent to the Youth Sunday School Departmen Assistant Leader for the Junior Training Union, Director of the Church Training Unio Assistant Scoutmaster and later as Scoutmaster for Troop 613 at Northminster, drawin the design that was used on the boys' neckerchief.

Otis felt he should know at least as much about the Bible as the children in h Junior Training Union and took advantage of night classes in Bible offered by th University of Richmond at several local churches. For the next few years, he took Bibl study very seriously. It was during this time that he first felt the urgency of the call to th Gospel Ministry. Responding to this call was not an easy decision for the Wheelhouse Otis had not been in a structured school environment, except for the night classes, fo some ten years. If he returned to school full time, the major responsibility for the finance of the family would fall on his wife. So, it was a united answer to the call that found Ot returning as a student at the University of Richmond in 1961. Lacking six hours t graduate at the end of the summer of 1963, Otis was allowed to enter Southeaster Seminary in 1963, and then complete his college education in the summer of 1964. H graduated from Southeastern in 1966 with the last class to receive the Bachelor of Divinit degree. Otis continued on at Southeastern Seminary the school year 1966-67 an completed the resident requirements of the Master of Theology program successfull The Seminary updated his BD degree to that of Master of Divinity in 1973.

As a ministerial student at the University of Richmond, Otis served as studer assistant to the pastor of the Glen Allen Baptist Church, Richmond. Then, as a seminar student, Otis answered the call of the Pine Grove Baptist Mission, located south o Petersburg, Virginia, and served three years as their pastor. At the request of this Missio the Northminster Baptist Church of Richmond ordained Otis to the Gospel Ministry o December 2, 1964. In the summer of 1967, Reverend Wheelhouse answered the call o the Roxboro Baptist Church, Roxboro, North Carolina, and became their Minister o Education. The Wheelhouses now found themselves where they never expected to b again, back in North Carolina.

Answering the call of the First Baptist Church of Brevard, North Carolina, to becom their Minister of Education, the Wheelhouses moved to Brevard in 1968. While servin this church, the Transylvania Baptist Association called Reverend Wheelhouse to becom their Director of Missions in 1969. The Wheelhouses served in this beautiful part o western North Carolina until the end of July, 1976. Reverend Wheelhouse accepted th call of the Sandy Run Baptist Association to become their Director of Missions on Augu 1, 1976.

A major accomplishment over the ensuing years was the purchase of property o Puzzle Creek Road, Bostic, as a site for a new Associational office. The office wa relocated to an old residence on the property and plans were developed for the future us of the 42 acres and the erecting of a new office building. The association approve

Reverend Wheelhouse's design for the new office complex and a groundbreaking was held in March 1997. The office complex with a few design modifications, when completed, will serve as the Association's Resource Center for many years.

Reverend Wheelhouse, in addition to his love of preaching and teaching, has several hobbies he enjoys. He is a philatelist (stamp collector), enjoys photography, leather tooling, reading, drawing and hopes to develop his skills in oil painting.

Reverend Wheelhouse retired as Director of Missions on December 31, 1998. After thirty-two years of service in North Carolina, the transplanted "Spider" of Richmond has become a "Tarheel" from Carolina.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in honor of Reverend Otis James Wheelhouse, Jr., who is a "friend to all of our churches."

Allene Keeton Wheelhouse was born in Richmond, Virginia, on April 11, 1933. She is the daughter of the late William Alley Keeton, Sr., and the late Ada Dabney Keeton. She attended the Richmond public schools, graduating from the John Marshall High School in January, 1951.

Raised in a Christian home, Allene made her profession of faith at the age of eleven and made her decision to follow the Lord wherever He should lead. As a teenager, she thought a lot about becoming a nurse, or perhaps even a doctor with thoughts of serving as a medical missionary. She planned her high school courses in preparation for college; however, midway through high school she changed some of her courses to "business," realizing she would have to work a while and save her money before going on to college. Upon graduation from high school, she was employed as a secretary with the Board of Education of the State of Virginia and saved her money. But, then there was this certain young man who had asked her to marry him and her "college money" became her "wedding money." She married Otis James Wheelhouse, Jr., of Richmond, Virginia, on December 6, 1952. Various employment opportunities proved to be Allene's "continuing education."

Otis entered the U. S. Air Force shortly after their marriage and Allene continued working with the State of Virginia until she joined her husband in Biloxi, Mississippi. A few months later found them in Washington, D. C., where she worked with the Audit Office of the Government of India. Otis was then transferred to Boston, Massachusetts, where Allene worked with the Internal Revenue Service as a "temporary" processing income tax forms. Later, she was employed as a parts clerk with a construction equipment company. When Otis was transferred to Japan, Allene returned to Richmond and again was employed with the State of Virginia. Upon Otis' return, the Wheelhouses moved to Pope Air Force Base, Fayetteville, North Carolina. After Otis' four years' military obligation was over, the Wheelhouses moved back to Richmond, Virginia, and settled in to an ordinary married life.

While moving around with Otis "in the service" church attendance was irregular, but each time Allene found herself back in Richmond, she eagerly worked in her church usually as a nursery worker during the morning worship hour and then as a helper in the Beginner Training Union. Now that they were settled down "at home," Allene was again active in the Northminster Baptist Church, Richmond. She and her husband joined a Young Married Couples Sunday School class. A few months later, Otis made his profession of faith and joined the Northminster Church. Then, it was Allene's turn to try

to keep up with Otis in his eagerness to learn more about the Lord and His churcl During this time, Allene, with Otis as her assistant, led the Junior I Training Union.

Otis' decision to enter the ministry and return to college full time was not take lightly. Many things had to be considered - not the least of which was finances. Durin this time, Allene was employed as secretary with the Grounds & Buildings Departmer under the Division of the Budget, State of Virginia. A vacancy occurred in the Budg Office while the General Assembly was in session and Allene was borrowed from he job (reluctantly) to fill that position. Under the State's job classification system, howeve this transfer provided the necessary stepping stone to still another job, that of Confidenti Secretary for the Virginia State Milk Commission. Once again, the Wheelhouses fe the Holy Spirit leading their lives. This new job for Allene came at just the right tim not making things easy, but a "little easier."

Allene continued to work in Richmond after her husband entered Southeaster Seminary at Wake Forest, North Carolina, and he became pastor of the Pine Grove Bapti Mission located about six miles south of Petersburg, Virginia. This was a challengin time for her. She was called upon to teach Sunday School, lead the choir, help to reorganiz the Baptist Women's group and the G. A.'s, take her turn cleaning the church, and o occasion lead the Wednesday night prayer meeting, among other things. One especiall challenging event was when she agreed to do the cooking for a week with someone els planning the meals, for a group of adults and teenagers at Eagle Eyrie, the Virgini Baptist Assembly.

Allene had had major surgery in 1957 and following Otis' entering college, sh again experienced problems leading to major surgery in 1964 and again in 1965. Durin this time, she continued to work and take part in the activities of the church. This was time of trial for the Wheelhouse family as they struggled to find the Lord's will in all c this, as much seemed to be coming at just the wrong time. The Presence of the Lord wa very real to them convincing them that the Lord would not permit more to happen tha they would be able to bear.

When Otis graduated from Southeastern Seminary, Allene was recognized with PHT degree (Putting Hubby Through) along with other wives at a special dinner meetin Finally, she had her "degree."

The Wheelhouses moved to Roxboro, North Carolina, where Otis served as Ministe of Education of the Roxboro Baptist Church. Allene found work as receptionist/secretar in the Dean's Office of the School of Engineering, Duke University, Durham, Nort Carolina. At the Roxboro Church, she served as Nursery Coordinator and also enjoye singing in the choir.

Their next move was to Brevard, North Carolina, where Otis served as Minister c Education of the First Baptist Church,
Brevard; then later as Director of Missions for the Transylvania Baptist Associatio Still feeling the effects of school and medical bills, Allene became employed as secretar for the Industrial Engineering Department, Olin Corporation, Pisgah Forest (just outsid Brevard). At the Brevard First Church, she worked with the Youth Church Trainin assisted with the Children's choir, sang in the adult choir, taught Sunday Schoc occasionally, and assisted with various activities at Little Cove Chapel, a mission of th church. After her husband was called as Director of Missions for the Transylvani Association, opportunities for service took different forms. She also enjoyed visitin the churches of the association with him.

The call to the Sandy Run Baptist Association was not an easy move. After havin

lived and worked in the Brevard area for almost eight years, it was difficult for Allene to imagine life without the mountains and the Pisgah National Park with its quiet mountain streams where she often went on her lunch break. Anticipation and excitement about serving in this new area soon took over. Otis commuted for a short time, Allene gave notice on her job and the search for a home began. The Wheelhouses found a house in the Corinth community and joined the Corinth Church. Visiting the churches of this association with her husband, Allene found the people to be warm and friendly and soon felt at home here. On occasion, she worked as part-time helper in the associational office and enjoyed working as full time secretary/treasurer/clerk of the association from December 1977, until her retirement March 31, 1999.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in honor of Allene Keeton Wheelhouse.

BIBLICAL RECORDER ASSOCIATIONAL REPORT

The Biblical Recorder is the official news journal of North Carolina Baptists. The earliest version of the Recorder was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The Biblical Recorder was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the Biblical Recorder, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The Biblical Recorder plays a strategic role in promoting God's kingdom work through North Carolina Baptist. On April 22, 1999, the Board of Directors of the Biblical Recorder adopted the following mission statement: "Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptist in a timely and accessible fashion."

The Biblical Recorder belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the Recorder work diligently to offer a fair and balancedpresentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the Recorder.

To communicate more effectively and to present the most important news in a more timely fashion, the Biblical Recorder has developed a popular

presence on the World Wide Web. The Recorder's website at http://www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The Biblical Recorder works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the Recorder at very affordable subscription rates. Currently, the annual rates are:

Church News Service (incorporates church newsletter into the Recorder) - $6.36

Every Home Plan (20%+ of church families, paid through the church budget)- $7.42.

Club Plan (4 or more persons in a church subscribe together) - $8.48

COUNCIL ON CHRISTIAN HIGHER EDUCATION
Baptist State Convention of North Carolina

"N. C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for The Biblical Recorder.

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

DIRECTOR OF MISSIONS REPORT

Over the past seven to eight months, I have been visiting the congregations of our Association and the pastors. From these visits I have learned of the concerns and vision the people of the SRBA have for our work together in Christ. In addition, I have learned that the Lord is at work in a marvelous way in our Association. The Gospel is being preached, people are being saved, and the work of missions is alive and well as our congregations send people around the world, to various parts of our nation, and to people in our own area, meeting a variety of needs.

Since I began this ministry I have had the privilege of visiting thirty-five of our churches in a worship service. I have preached three revivals and have a fourth scheduled for October 31-November 3 (High Shoal). I have enjoyed working with our pastors and congregations in the collection and sending of disaster relief items to the flood victims of eastern NC and to the victims of Hurricane Mitch in South America. One of the greatest joys, however, has been getting to know the people of our Association as they stop by our off ice or as I visit their church.

Also, one of the greatest responses I am getting is in response to the Associational Newsletter. You, not only need to be aware, but deserve to be aware of what is happening throughout our Association. We want to keep you informed of the activities and opportunities for ministry as we labor together for Christ. Our office is always open for visitors and we welcome your calls. Our Associational Administrative Assistant (Mrs. Loretta Winters) continues to do a great job and is always ready to assist you in meeting your needs for an effective ministry.

Your co-laborer in Christ,
Jim Diehl

Rev. Keith Fulbright upon the request of the Corinth Baptist Church

PROPERTY DEVELOPMENT COMMITTEE REPORT

The new office building has moved off the planning table and is well on the way to being a reality. The exterior structure was completed early in the year. Then more than 40 volunteers from 14 or more churches have provided many hours of volunteer labor. The basic carpentry work inside has been completed. The rough-in plumbing and rough-in

electrical wiring have been completed. We are ready for the heating and air conditioning to be installed. We are ready to install additional insulation on Tuesday, November 2nd, starting at 6:30 p.m. and would like to have volunteers for this task. Then we will be ready for sheetrock and the suspended ceiling and the other aspects of interior finishing.

Most of the labor has been volunteer but some of it has been paid for if we could not get a volunteer, such as the plumbing. Norville Electric donated labor to wire the building. The Crestview Brotherhood donated 100 2x4. Shiloh donated a case of nails. So far we have been able to work on a "pay as you go" plan so everything is paid for without borrowing any money. We have approximately $18,000.00 on hand but we will need several thousand dollars more to finish the task. We encourage every church to give something to help complete this project.

We want to say a very special "thank you" to all the volunteers who have worked on this project, a very special "thank you" to every church and individual who has given financial contributions, and to everyone who has prayed for this effort. With everyone's continued support we will be able to use this Associational Resource Center soon.

Furthermore, Tony Laws, a Boy Scout working on his Eagle Scout award, has developed a picnic site complete with a picnic table, two places for a camp fire and trash cans. These are ready for group use now.

Respectfully submitted,
Property Development Committee
Rev. Michael Sepaugh, Chairman

SEMINARY EXTENSION REPORT

Our Seminary Extension Center began on May 10, 1999 with eight students enrolled. The first course offered was Survey of the New Testament (Part I), taught by Dr. Wayne Blackwood, Director of the SEC. The Center continues its second semester with Survey of NT (Part II). Eight students registered but only six have enrolled in this second semester. We had offered a second course for this term, (1 and 2 Thessalonians), however, there was not enough in the enrolment to carry out the class. 1 and 2 Thessalonians will be offered again in January and will meet on Thursdays nights, taught by Dr. Jim Diehl. Registration for this class will be on Thursday, January 6. The class will be a 14-week term, meeting from 7:00 - 9:00 each Thursday. Both Pastors and Lay persons are encouraged to enroll. For more information, call the SRBA office.

We look forward to offering more courses throughout the year. The hours earned through the diploma-level courses may be accepted as earned hours toward a Bachelor degree, (depending upon the discretion of colleges/universities).

Respectfully submitted,
Seminary Extension Center

MINISTRY - BASED BUDGET

SANDY RUN BAPTIST ASSOCIATION
October 1, 1998 - September 30, 1999

Missions is the purpose of this association. The Associational Missions Program is a means by which the churches work together to reach people for Christ, train leaders, develop Christians, minister to human needs, and establish new churches and missions. All peoples, regardless of language, race, lifestyle or culture, should have the opportunity of hearing and responding to the gospel. Ministry action budgeting is the process by which an association identifies needs, evaluates ministries, and funds actions for reaching its objective. The association thus seeks to utilize its financial resources in keeping with its mission.

MINISTRY OF GENERAL ASSOCIATIONAL STAFF LEADERSHIP

Studying church, associational and community needs, planning mission strategy and ministering to churches and persons in need are a part of our reason for being. Our Director of Missions gives leadership and general direction to our associational program.

EDUCATION MINISTRIES - CHURCH DEVELOPMENT

This association exists to serve churches. Part of our mission is to assist the churches in their educational programs. This is done in program development and leadership training. Associational leaders interpret convention programs and assist churches in adapting them to meet their needs. They also enable churches to build their own programs when these are needed. Having association-wide training conferences for church leaders is another service to the churches.
